

A *Night* IN THE *Valley*

A heartfelt evening of gratitude, community, and celebration.

An Evening to Remember

On **November 8th**, join community and healthcare leaders for a green carpet reception with cocktails on the terrace at Creighton University Health Sciences, followed by an elegant dinner, inspiring program, and live musical performances in the ballroom.

Honoring Partnership

The evening celebrates **District Medical Group**, our 2025 Philanthropic Partner, whose legacy of exceptional care and generosity has profoundly advanced Valleywise Health's mission and the health of countless Arizona families.

Community Champions

Honorary co-chairs **Sharon and Ollie Harper, MD** will be recognized for decades of philanthropic support and service that have made a lasting impact on our community's well-being, healthcare, and education.

The Heart Behind the Evening

A Night in the Valley supports Valleywise Health's mission to provide exceptional care, without exception, every patient, every time. This year, your gift will help strengthen essential services across all areas of care, especially impacting our most vulnerable patients: infants, children, and adolescents throughout the Valley.

This exclusive event has limited availability.
